Help the Fergus Falls Youth Soccer Program

Dates for 2010 Referee Clinic Set

The Fergus Falls Youth Soccer Association will again be sponsoring a referee training clinic this spring. The dates for new referees are Saturday, April 17 and Sunday, April 18 from 8:30 am until 5:30 pm. The date for referee recertification is Saturday April 17 from 9 am until 2 pm. This is a fun way to learn the game, stay in shape and earn some extra spending money. We have a shortage of adult referees in Fergus Falls which makes scheduling very difficult at times. Youth ages 13 and up are encouraged to learn the ropes and earn money helping with rec games and U10 and U12 games. You can earn from \$10 per game for rec games up to \$55 per game for U19 games.

If you have questions about becoming a referee or recertifying please contact **Jeff Hatlewick at 739-0337** or research the following web sites: Everyone must register on line for the class – no exceptions.
